

Build a **Review Game Set** of major Bible stories. Write large numbers on lunch size brown bags, 1-35. In each bag put one item. Mix them up in a pile in the middle of the floor and sit kids around the pile of bags. Go around the circle, having each child take a turn (teacher and helpers can take turns as well). First person finds bag #1, opens the bag and takes out the item. Then they try to tell the story using the item as a clue (for example, God created the heavens and the earth, using the globe as a clue). Teacher may help fill in details, or help students figure out the story.
